Lesson Snapshot

Big Idea: God makes promises to us, and He always keeps every one.

Bible Story: Noah and the rainbow — Genesis 9:13-17. After the flood, God set the rainbow in the sky as the sign of His promise.

Memory Verse (KJV): “He is faithful that promised.” — Hebrews 10:23

Take-Home: Each child leaves with a “Today, in Children’s Church I Learned” slip and their finished rainbow craft.

Materials: Paper plates, cotton balls, 7 colored paper strips per child (a traceable set for the 4s and 5s, blank for the 6s to 8s), glue sticks, markers, the printed promise list for reference, take-home slips.

Note on reading: Assume most of the room cannot read fluently. Every verse on the slides gets read aloud by the teacher, and the promise words on screen stay short.

Adapting Within the Room (ages 4–8)

Teach one lesson to everyone. These are small adjustments at the craft table and during discussion, not separate lessons.

Ages 4–5: Give them strips with the promise pre-written in light grey so they trace it. They glue the cotton-ball clouds and place the strips. During discussion, ask yes/no or point-to-the-color questions.

Ages 6–8: They write the promise and the KJV reference on each strip themselves. Give them the discussion question: “Which promise do you need to remember this week?” and let them answer out loud.

Pair them up: Seat an older child beside a younger one. The older reads the promise aloud while the younger finds the matching color. It keeps the older kids engaged and the younger ones moving.

Memory verse: Everyone learns the full verse with motions. The 4s and 5s will catch “He is faithful” first, and that is enough.

The Seven Promises (for craft strips & slides)

This is the master list. Same order as the rainbow, top strip to bottom.

Red: To care for and protect us. Psalm 121:7-8. The LORD shall preserve thee from all evil: he shall preserve thy soul. The LORD shall preserve thy going out and thy coming in from this time forth, and even for evermore.

Orange: To guide us. Psalm 32:8. I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye.

Yellow: To forgive us. Hebrews 8:12. For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more.

Green: To answer our prayers. 1 John 5:14-15. And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us.

Light Blue: To always be with us. Hebrews 13:5. ...he hath said, I will never leave thee, nor forsake thee.

Blue: To send us the Holy Spirit. John 14:26. But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things.

Purple: He has good plans for our lives. Jeremiah 29:11. For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

SAY

Reinforcement Game (if time allows)

Promise Color Match. Tape the seven colors around the room. Call out a promise — “God promises to forgive us!” — and everyone runs to the matching color. Speed it up as they get it. Last round, call the color and they shout the promise back. This works for the whole 4 to 8 range because it is movement first, reading never.

Rainbow Line-Up. Hand out the seven colored strips at random. Kids line up in rainbow order without talking, just holding up their color. Then go down the line and each child says their promise. Older kids can read theirs; younger ones repeat after you.

Closing Prayer

Dear God, thank You that You always keep Your promises. Thank You for caring for us, guiding us, forgiving us, hearing our prayers, always being with us, sending Your Holy Spirit, and having good plans for our lives. Help us remember Your promises this week. In Jesus' name, Amen.

Parent Connection (write on the take-home slip or say at pickup)

Ask your child: “What is one promise God made to us?” Point to a color on their rainbow and let them tell you. Remind them: God always keeps His promises.
